Description

TEAM SPIRIT, FAIRNESS, EXCITEMENT,
DETERMINATION, DESIRE TO WIN

Thanks to our 15 years of professional experience, we are happy to help you including the positive virtues of sports into your human resource work. Within this aim, we are supporting you from the acquisition of talents, up to the successful establishment of a strong employer brand.

In the course of demographic change, talented employees are more demanded than ever and often have the possibility to choose between several different jobs. To present your company with an interesting and attractive appearance, it demands a structured and well elaborated Employer Branding Strategy.

As a career coach I help individuals to develop their career in the field of sports. In this matter I offer individual coaching sessions as well as group coachings in Palma de Mallorca.
