Description

The Barceló Pueblo Park**** hotel, uniquely located in the very heart of Playa de Palma Beach, is only 200 m from the white sandy beach of El Arenal. It is the ideal hotel for people who love sports, such as cycling, diving, hiking or golf, and for those who want to enjoy a peaceful holiday in a warm environment with lots of space. It offers one of the best-equipped cycling centres on the island and incorporates hypoxia equipment in the rooms. The cycling centre boasts wide experience with our partner Max Huerzeler Bicycle Holidays. You can also enjoy a complete wellness centre in the hotel, with sauna, Turkish bath, covered heated swimming pool and massage service.
