DESCRIPTION Taste of Mallorca is not a typical tour operator or travel agency. Instead we offer a unique consultancy service to help agencies to get their ideal tour in Mallorca. We are committed to offering the kind of holiday that we would like to take ourselves, and we strive to build an on-going relationship with our guests that draws them back to travel with you time and again. We prefer quality to quantity, to work in harmony with local communities and to respect their culture, traditions and environment.
